

How to get to Blackbird in the Glennfield area of Fish Creek Park (red star on this map):

From the north – take Macleod Trail south. Just past Canyon Meadows Drive, take the exit immediately after the bridge over Fish Creek (#1 on the map) and drive under the bridge to the entrance for Fish Creek Park.

From the south – take Macleod Trail northbound to the exit for Bannister Road (#2 on the map), then drive north on Bannister Road past St. Marys University to the park entrance.

To get to Blackbird picnic shelter:

When you come into the park, keep right and follow the road to the first picnic shelter.

Our designated parking area is highlighted. If it is full, continue around the loop back to the large parking area (#2) and use the walking trail marked in blue to get to Blackbird.

Do not park in the parking area designated for the Aspen site as another group is assigned to it. If they end before us, they may lock you into that parking lot, and our code will not unlock the gate. We had this happen one other time!
