

Databases and Digital Content at EPL for Genealogy workshop

Date: Saturday, February 15, 2025
Time: 10 am – 11:30 am (in the lab)

Location: Edmonton Public Library (EPL)
Blind Enthusiasm Group Computer Lab
2nd Floor, Stanley A. Milner Library (downtown)
7 Sir Winston Churchill Square, Edmonton

Capacity: Limited to 17 participants

Explore EPL's genealogy resources:

- ❖ Digital Databases and Content
- ❖ Independent Search Time
- ❖ Research Tips & Tricks

The presentation speaker is **Colleen Andriats, Community Librarian** at the Stanley A. Milner library. She will be focusing on EPL's Digital Genealogical Resources and also mention the EPL-AGS-Internet Archive digitization project.

This will follow with a tour of the North of 52 Collection. Also, if you are interested then we can go to their "Edmonton Then and Now" exhibit. And we can have a post-workshop discussion in the library or nearby café of Second Cup. Elaine has booked her full day to be available to assist you with your research inquiries. The library downtown opens at 9 am to 6 pm on a Saturday. It is rare that this group meets in person, so this is a wonderful opportunity.

RSVP: Please email Elaine Kalynchuk directly to register for this workshop at kalyna@outlook.com
